

On behalf of PanDans Copenhagen, I have the honour of inviting you to our festive and international New Year's dance event, The Nordic Open in Copenhagen, Denmark.

The competition on the 30th of December features separate male and female same sex competitions as well as competitions for mixed couple and show competitions.

Nordic Open is not only a tournament, but also a New Year's Dinner and Ballroom Party on the 31st of December - and we're planning the most sparkling New Year's ball.

I hope to see you all on the dancefloor and promise you an event as warm, friendly and international the one we had in Cologne this summer.

On our website

<http://pandans.dk/nordicopen.htm>

you can check out the dancers, who have already registered from

Germany, Uk, The Netherlands, Belgium, Luxembourg, Hungary, Switzerland, Austria, Sweden, Finland, Denmark, Uruguay, Italy and France.

**Lots of warm regards**
